Recreation District May Grow

More than 4,000 residents of the Bancroft, Highland and Casa de Oro school attendance areas recently received notices of a proposed annexation of their areas to the Spring Valley Recreation & Park District. A public hearing on this proposal will be held in the Board of Supervisors Chambers on Tuesday, at 2 p.m.

Supervisor Robert C. Dent, whose third district is involved, said that the Spring Valley Recreation and Park District was established by a vote of the people in 1963. The existing boundaries of the district are practically the same as the area served by the La Presa Water District.

Dent said that when the district was formed, two significant decisions were made by the voters:

First — The County Board of Supervisors was selected as the Board of Directors for the district,

Second — A maximum tax rate of 20c per $100 of assessed valuation was authorized.

Dent said the tax rate for the current fiscal year is slightly under 17c due to the substantial increase in the assessed valuation within the district. The district owns no property at the present time. The recreation program that has been provided since the creation of the district has consisted basically of a diversified children's summer recreation program conducted at four elementary schools, and a year-round young adult program at Mt. Miguel High School.

Supplies and professional guidance for this program are provided through a cooperative agreement with the Recreation Department of the City of La Mesa. Dent said the current success of the program is due largely to the public-spirited attitude of the La Mesa City Council in permitting its professional staff to operate outside of the City boundaries.

A number of residents of the Bancroft, Highland and Casa de Oro school areas were pleased with the program and requested that the Board of Directors initiate annexation proceedings. The Board referred the proposal to the Local Agency Formation Commission which, following public hearings on the proposal, determined the boundaries of the areas to be considered for annexation. The next step in the annexation proceeding is the holding by the Board of Directors on October 3 of a public hearing on the entire proposal. At that time, the Board of Directors will receive public testimony on this matter and a thorough explanation of the annexation will be made.

Dent urges all persons who are interested to attend the hearing. If more than 50% of the property owners or eligible voters in any area proposed for annexation file written protests with the Board of Directors to this annexation prior to the conclusion of the hearing, further proceedings are terminated at this point.

Dent emphasized that it is not necessary to be present at the public hearing to register an annexation protest. Individuals or groups wishing to protest this annexation may file a letter with the Clerk of the Board of Supervisors properly identifying themselves as property owners or residents in the annexation areas.

In the event that the Board of Directors receives less than a 50% protest, the voters of these areas will make their decision known at the ballot box, Dent said. Should the voters approve annexation to the district, they will have a voice in determining the type of recreation program best suited for their area for which they will be obligated to pay a maximum of 20c per hundred dollars of valuation for this service.

War By Supreme Court Edict

With some imagination and a little exaggeration the U.S Press Association took a tilted look at the War in Vietnam as it would appear under the protective canopy of tht most supreme court in these United States.

USPA reported that the war in Vietnam is going badly. This was made clear, it said, by the Senate Armed Services Committee in which it was inferred that at least part of this condition was caused by certain bans by Secretary Robert McNamara and inhibitions by President Johnson. But it could be worse.

"Think what would happen," USPA asks "if the Supreme Court got into the act.

"In that event a 5-4 decision might require the military to carry on as follows:" it says.

1. The constiutional rights of Viet Cong and North Vietnamese must be respected under every circumstances.

2. Under no circumstances may an alleged enemy be summarily killed without due process, including the right of appeal.

3. No prisoner shall be denied counsel, and if he wishes to be represented by someone from Hanoi, Peking or Moscow, this must be arranged.

4. Since the court views with repugnance the doctrine of guilt by association, it shall not be considered evidence against a prisoner that he is found in enemy uniform. Such a person could, after all, be a Stokely Carmichael, a Yale professor or an American folksinger entertaining enemy troops, costumed for the occasion.

5. The military must cease and desist at once from the use of radar and other electronic devices which the court holds to be an unwarranted invasion of the privacy of the individual.

6. Before any missions are ordered into territory occupied by the enemy, proper warrants must be obtained from the court. A man's cave, foxhole or sniper's nest is his castle, anh must be considered inviolate.

7. When any person suspected of participating in so-called enemy action is taken into custody a senior officer must read to him the Geneva Convention, the Charter of the United Naions and the statement of this Court, to acquaint him with his rights.

8. If enemy soldiers wish to demonstrate, or take action that is annoying and offensive, there must be no interference with them under the doctrine of free speech and freedom of assembly.

9. Any member of the military who illegally harms the person of an alleged opponent, without observing the due process set forth herewith, shall be held liable and shall be subject to civil and criminal action before this court.

10. Members of the military shall under no circumstance be required to take an oath of allegiance to the United States.

New members are welcome to join any time during the school year.

Burgener Analyzes Bill Session At Grove Men's Club Luncheon

State Senator Clair Burgener gave a comprehensive report on the recently-completed state legislative session at the noon luncheon of the Lemon Grove Men's Club last Friday.

Temporary presiding president, French Faucher, introduced the local representative, who preceeded to analyze the various issues passed by the legislature. A question and answer period followed the Burgener talk.

In citing his reasons for giving the talk to the local group, Sen. Burgener stressed the importance of a representative of the people to circulate and communicate with the public.

"Legislators need to get right in with the people, report to them, listen to their problems and get reactions on some of our ideas," said Burgener. "It all helps in getting a better understanding of the public which we serve."

"Before the election we are partisan politicians representing the party. But after the election we represent all the people and our service must be non-partisan," explained the senator.

Senator Burgener provided his audience with some background information on the make-up of the California State Leigslature. He cited the fact that 34 of the 80 members of the Assembly were new, while 22 of the 40 state senators were in office for the first time. In the assembly the line-up showed 42 Democrats to 38 Republicans, while the Senate was evenly divided at 20-20.

"The close figures in the representation of both parties indicates that issues passed are passed by a non-partisan vote," explained Burgener. "No one has a big enough majority to decide issues. It takes votes from both parties to pass an issue."

Burgener decribed the budget for the state as being bipartisan, with the newly enacted tax bill the only means by which to balance the budget and make up for a deficit.

"No matter how you try to alleviate the tax problem, you just end up shifting the burden from one citizen to ano-

Sex Education Topic For Nurse Institute

The San Diego and Imperial Section of the California School Nurses Organization is planning an Institute for school nurses on October 14. The theme "Good Bye Birds and Bees — Hello Reality" will will emphasize Sex Education from kindergarten through high school.

Dr. Ralph Eckert, Coordinator of Guidance and Counseling for the Riverside Schools and a nationally known authority on sex education and family life will speak on "Sexuality and Attitude Development".

Mrs. Sally Williams R. N., Coordinator of Family Life Education for the Anaheim Schools and a Board Member for SIECUS, which is a national organization for reliable sex education materials, will speak on "Sex Education Curriculum Development and The Teenager".

Mrs. John Stewart, vice president of San Diego Family Service Association, will give a talk on "Parent's Reaction to Sex Education".

The Institute will be held at the Mission Valley Inn, with registration at 8 a.m. in the Valley Room. Educators and school nurses are invited to attend.

Mrs. Lillian C. Olson will be the Institute Chairman with Mrs. Katherine Hunter, in charge of arrangements, and Mrs. Ruth Hawkinson, hospitality. Other committee members include Mrs. Goldie Povenmire, Mrs. Delia Benedict, Mrs. Margaret Helton, Mrs. Catherine Horton, and Mrs. Hannah Fanta.

The institute will stress the family life aspect of the sex education problem according to Mrs. Olson, 3885 Capitol st., Lemon Grove, school nurse at Kempton Elementary school in Spring Valley.

"We think that the question of sex education is a very vital one, and that sex education will be absolutely necessary if we are to combat the forces of pornography and other elements which infest the minds of our children," explained Mrs. Olson.

The organization of school nurses was established in 1955. The main philosopy behind the group is the belief that, in order for the school nurse to best contribute to the welfare of students and the community, she must be up to date on all issues.

The institute gathers once a year. This year's topic was spearheaded by the Sex Education Task Force in the Grossmont Union School District.

Registration for members will be $4.25, while the non-member fee will be $5. Reservations are being taken by Mrs. Hunter, 463-6398, and Mrs. Olson, 466-8733.

PROGRAM SLATED: Three members of the area's California School Nurses Orgainzation go over the scheduled program for the group's upcoming institute on sex education to be conducted Oct. 14 at the Mission Valley Inn. The local planners, from left to right, are Mrs. Delia Benedict, 8740 Campo rd., La Mesa, Mrs. Lilian Olson, 3885 Capitol st., Lemon Grove, and Mrs. Goldie Povermire, 965 Mt. Viena rd., El Cajon.

Grove Man Gains Honor For Rescue

Four San Diego Civil Air Patrol members, including Captain David N. Clyde, 1917 La Corta, Lemon Grove, were honored at a dinner last Saturday night at the CPO Club North Island. The California Wing Commander, Lt. Col. Raymond H. Gaver, presented the awards.

Clyde, who has been in the CAP for two years was awarded the Bronze Medal of Valor as recognition of the action taken by Captain Clyde and three other members in the rescue of a youth on the Torrey Pines cliffs during the glider meet in February of this year.

Other San Diegans honored for their part in the rescue, were Major C. E. Boughton, Major Frank P. DeNardo, and Cadet 3rd Class Michael McKinney. The latter received the Meritorious Service Award.

Captain Clyde is the Commander of Coronado Cadet Squadron 139, while his wife is a CAP Warrant Officer. He is also a Navy Lieutenant, officer in charge of Navy Personnel and Yoeman Schools in San Diego.

It was the first time either award has been presented to a San Diego area Civil Air Patrol member.

The three bronze medals awarded comprised 50 per cent of such medals awarded in the six western states.

Registered Nursing Program Underway At Grossmont Col.

Grossmont College's newest program started this week with 31 students enrolled in the Registered Nursing Program for the fall semester. To be considered for admission to the program at Grossmont College, the future nurses had to be high school graduates and have completed a course in high school or college chemistry.

More than 130 persons were interviewed for admission to the program with 56 candidates meeting the entrance criteria. Enrollment in the program was determined by an Admissions Committee who selected 29 women and two men after considering all factors in the credentials of individual candidates, including unusual factors in the background of a candidate other than those related to the admissions criteria.

According to Miss Opal Thompson, director of nursing, students in the program range in age from 17 to 59 and come from all social and economical levels. Miss Thompson, who personally interviewed each candidate, said, "The students selected for the program are enthusiastic and interested and will, at the conclusion of their two years of study at Grossmont College, be capable of performing the duties assigned to staff nurses in hospitals, doctor's offices, and other clinical areas.

The registered nursing curriculum will cover four semesters and one summer session and will include courses in the physical, social, and biological sciences. Nursing theory will be coordinated with laboratory experience in area hospitals and health agencies. Actual experience in giving nursing care in hospitals will be provided under the supervision of a faculty member from the college.

Miss Thompson considers her staff of three instructors, all of whom are qualified to teach both medical and surgical nursing, outstanding in the field of nursing education.

Valley Fire Dist. Okays Safety Code

The Spring Valley Fire Protection District, in an effort to fulfuill its purpose of saving life and property, has adopted the Uniform Code of Fire Prevention.

The code provides regulations safeguarding life, health, property, and public welfare to a reasonable degree from the hazards of fire and explosion. It is designed and developed to set out regulations for safety in many areas such as Fire Protection Equipment Requirements, safety of processes in industrial buildings, storage of hazardous chemical and materials burning equipment and many other provisions.

The fire department has adopted an ordinance for the issuing of citations in lieu of arrests for violations of the Unform Fire Code.

The ordinance of adoption of the Uniform Fire Code is running in this editon of the paper.

Reading and Raises Are School Problems

The Lemon Grove District School Board Monday night was alarmed by state reports showing that 34 per cent of youngsters in the sixth grades of Lemon Grove schools were in the lower quarter of ability.

District Superintendent Byron Netzley said that six reading specialists had already been acquired for grades 1, 2 and 3. "Reading specialists will upgrade the entire system in reading ability eventually," he said. He also noted that only 17 per cent of the school population was in the lower quarter of intelligence.

Barbara Brockhouse, representing the teachers' negotiating council asked the Board for another raise. The new request would provide an average of $300 with raises ranging from $200 to $600 a year. If approved, it would be the second raise in a month.

Netzley reminded the Board that the district must ask also for an extension of the present override tax during the school year. Failure to pass would drop the local tax rate from $1.99 to $1.35. Netzley asked if two raises in the short period would create community reaction to the override issue. Apparently he expected no answer and got. none.

Netzley said, after the meeting, that the district could not operate on a reduced income that would meet a rate of $1.35.

Notables To Fete Deddeh October 5

Miguel Grad West Point Lieutenant

Cadet James M. Harter, son of Mr. and Mrs. Melvin C. Harter, of 8516 Troy st., Lemon Grove, has been appointed a Cadet Lieutenant at the U.S. Military Academy and will serve as a Company Executive Officer until December.

As a Company Executive Officer, Cadet Harter is responsibile to the company commander and serves as the second in command of his company of approximately 105 cadets.

Cadet Harter

With the exception of the Brigade Commander, Regimental Commanders, and the five-man Brigade Staff, the command positions in the 3,300-man Corps of Cadets are changed twice during the academic year, thereby allowing a great number of cadets to assume positions of leadership and responsibility.

A graduate of Mt. Miguel High School of Spring Valley, Calif., Cadet Harter received his appointment to the Military Academy from Rep. Lionel Van Deerlin of California.

He expects to graduate next June with a Bachelor of Science degree and a commission as a second lieutenant in the Regular Army.

Lord of Life Lutheran Plans Rally Day, Race Problem Film

A festive Rally Day program has been planned this Sunday by Lord of Life Lutheran Church, Apple st., and Luther dr., in southern Spring Valley.

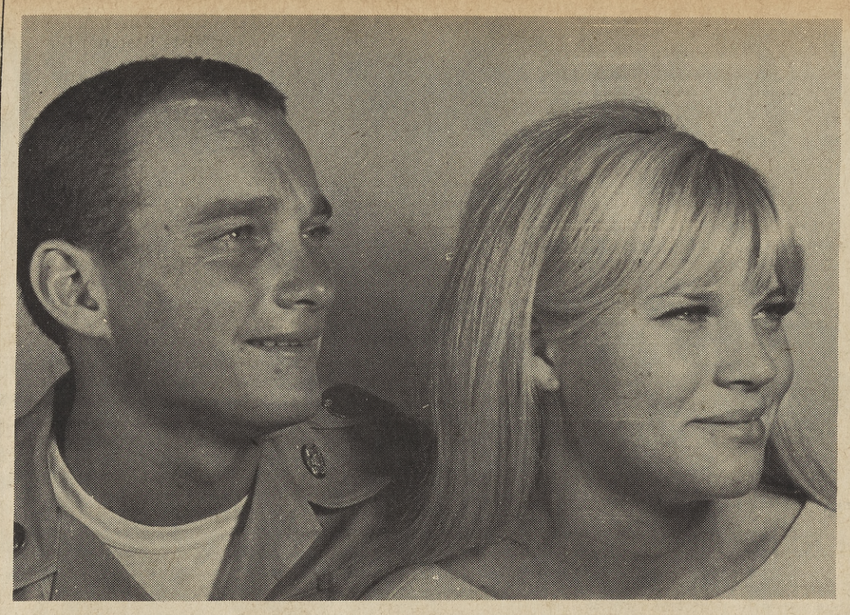

A new session of Sunday School classes begins this Sunday at 9:15 a.m. New students will be enrolled and returning students will re-register and be promoted to their new classes. Classes are available for all ages, beginning with Nursery class, age 3, through adult. For the adults, a new Inquiry class will begin this Sunday taught by Rev. R. D. Thoreson, pastor of the new congregation. The congregation is beginning its second year, having formerly met in Kempton Sihool and the past several months been in their new church building, which is located on Dictionary Hill.

At the 10:30 a.m. Family Worship Service, members of the Sunday School staff will be installed in a service of dedication and a special litany will be used in which parents and teachers mutually pledge to fulfill their responsibilities in the Christian education of their children.

A Family Night has been planned for Sunday evening. A Potluck Supper will be held at 5:30 p.m. with families bringing enough food to serve their own family, the supper then being served potluck style.

Following the supper, an outstanding film, "A Time For Burning", will conclude the day's events. This film has received numerous awards from both church and secular sources as being one of the most outstanding documentaries yet produced in the field of race relations. It was chosen to be shown on national television last winter because of it's excellence. Pastor Thoreson has announced that the public is invited to attend this showing. It is being offered by the congregation as a public service and no admission charge or offering will be taken.

Secretary of Agriculture Orville Freeman said the decline in farm numbers indicates farming's status as a growth industry . . . one in which output per man-hour rose nearly three times as fast as that of the rest of the economy from 1950 to 1965.

Thomas Shaddox and Susan Bjorstrom

ENGAGED: Mr. and Mrs. Robert A. Bjorstrom, 3726 Bancroft dr., Spring Valley, announce the engagement of their daughter, Susan Jane, to Thomas Douglas Shaddox, son of Mr. and Mrs. O. S. Shaddox, 7384 West Point ave., La Mesa.

The date or place of the wedding have not been decided.

The future bride is a 1965 graduate of Mt. Miguel High where she was homecoming queen in her senior year.

The groom-to-be is a 1962 graduate of Helix High. He attended both Grossmont and San Diego State College and is presently attending Officers Training School and Missile Training at Ft. Sill, Okla., a U.S. Army base.

Lemon Grove First Baptist Begin Fall Schedule Sunday

The First Baptist Church of Lemon Grove, located at Main and Burnell, announces its fall schedule of activities, beginning Sunday, October 1.

Sunday Bible school, for all ages, starts at 9:30 a.m. with the morning worship service at 10:50 a.m. Coordinators for the various age groups are Mrs. Norman Merrill, nursery; Mrs. Jarvis Reams, beginner; Mrs. Robert Kleinschmidt, primary; and Mrs. Bill Bryant, juniors. Carl Taylor is school superintendent.

A newly formed group consisting of single young people, called "College & Career", under the direction of Mrs. Ralph Fuqua, will meet for Bible study on Sunday mornings at 9:30 a.m. and again at 6:00 p.m. for discussion and fellowship.

Mike Yaconelli, Youth Director, will supervise the training and all activities for the Junior and Senior High groups, teaching the Senior High Bible class on Sunday mornings. Mrs. Louis Nagy directs the Sunday morning Junior High department. Both groups meet on Sunday evening at 6 p.m. and again on Wednesdays at 7:30 p.m. for a discussion hour .

A graded choir program will be offered, coordinated by Robert Doggett, Music Director for the church. Beginner, Primary, and Junior boys and girls will combine music with church training at 6 p.m. on Sundays. Junior and Senior High students will make up the Youth Choir, practicing at 5 p.m. each Sunday afternoon. Mr. Doggett will continue to direct the adult choir practice at 8:30 p.m. on Wednesday evenings.

Rev. Robert E. Kleinschmidt, pastor, will conduct a school of evangelism for adults Sunday evenings at 6 p.m.

The Sunday evening worship hour will be at 7 p.m. with a mid-week Bible study and prayer service on Wednesdays at 7:45 p.m.

'Unreality' Topic Of Sun. Bible Text

"In the multitude of dreams and many words there are also divers vanities: but fear thou God."

This verse from Ecclesiastes is the Golden Text of this week's Bible Lesson on "Unreality" to be read in all Christian Science churches this Sunday.

Mr. and Mrs. John Gilbert

Gilbert-Gramoy Wed In La Mesa Ceremony

The First Methodist Church of La Mesa, was the setting Sept. 16 for a double-ring ceremony, which united a young Spring Valley couple in marriage. Te bride was the former Miss Elizabeth Marie Gramoy, daughter of Mr. and Mrs. John Gramoy of 9769 Lamar st., Spring Valley. The groom was John Ellis Gilbert, son of Mr. and Mrs. C. R. Gilbert, 9595 Upland dr., Spring Valley. Rev. Robert Kesler, pastor of the church, performed the ceremony. The bride was given in marriage by her father.

Maid of honor was Peggy Gramoy, sister of the bride; and bridesmaids, Vicki Jean Gramoy (sister of the bride), Sharon Coffan and Cheryl Norris. Best man was Ken Smith and ushers, Bill Kerner, Frank Lieurance, Lance Lowery and Paul Coffman. Organist was Loella Cole and Mrs. Melody Kraus handled the guest book.

The bride's gown was of white peau de sou, with lace apliques in the front and a lace inset at the back. Her pearl crown trailed a fingertip veil, and she carried a white Bible and white roses.

The maid of honor and the bridesmaids were dressed alike, in floor-length, seafoam green gowns (designed and made by Peggy Gramoy). Each carried bronze and gold carry-pieces, centered with a gold mum.

The reception for approximately 200 guests was held in the Lemon Grove Masonic Temple.

The new Mrs. Gilbert is a 1963 graduate of Monte Vista High School and a 1967 graduate of San Diego State College. In 1961 she was named "Honored Queen" of the Lemon Grove Job's Daughters.

Mr. Gilbert, a 1962 graduate of Monte Vista High School, is also a 1967 graduate of S.D. State. He is scheduled to leave in November for Officers Training School of the U.S.-A.F. The couple will live in El Cajon.

Deputy Kanagy Guest Speaker In Grove Fete

Chief Deputy Warren Kanagy of the San Diego County Sheriffs Department will address the members and guests at the regular monthly meeting of the Lemon Grove Republican Assembly, next Tuesday at 8 p.m. in the V.F.W. Hall on Imperial ave.

Deputy Kanagy, who is in charge of Operations which include the Patrol and Dectective Divisions of the Sheriffs Department, will speak on the subjects of the Department's preparedness for any emergency, such as rioting or other unlawful disturbance. He also will speak on the effects of the newly enacted California Gun Law recently passed by the Legislature on private citizens.

Mr. Alvin Frohne, program chairman, said that Mr. Kanagy has been with the Sheriffs Department for more than 18 years, and is well qualified to answer any questions that may be troubling any residents of Lemon Grove. All interested persons are cordially invited to attend.

Westover Returns From Coast Guard

Oct. 3 — Grade 12 — Counselor, Mr. Ken Trough, has set up his program to include talks by our new vocational counselor, Mr. David Phillips and our senior homemaking teacher, Mrs. Betty Womack. An open discussion will also be held for those with questions. This is also the time the parents must make plans for an after-prom for the seniors.

Oct. 10 — Grade 11 — Counselor, Mr. Robert Cother.

Oct. 19 — Grade 10 — Counselor, Mrs. Vela Gwin.

Oct. 24 — Grade 9 — Counselor, Mrs. Venalee Field.

Appealing Japanese Exhibit to Continue

Because of its unusual appeal to the public, the exhibition of Japanese cloisonne currently on view at The Fine Arts Gallery, Balboa Park, will be extended one full month, closing October 31.

The exhibition of Japanese Prints; Kwatei Taki, which had been scheduled to open October 6 has been postponed.

Places Set For 2,000 At Kiwanis Pancake Event

Spring Valley's Kiwanis club flips its sixth annual Pancake Festival Oct. 7 at Mt. Miguel High School.

According to Pancake Festival Chairman Ron Svalstad, more than 2,000 persons will be served. Last year 1,500 attended the growing project.

The Oct. 7 menu will consist of pancakes, sausages, syrup, butter, coffee or milk for $1. Children will be served for 50c. There is no limit to the servings patrons may enjoy, said Vern Watts, Kiwanis president. The dining room will be open from 7 a.m. until 7 p.m.

Tickets will be sold by members of the Mt. Miguel High School Ensemble and the Monte Vista Stadium Boosters, as a fund-raising project, it was reported by Gil Buxton, ticket chairman.

Proceeds from the Festival will be used for various youth projects sponsored by S.V. Kiwanis. Four scholarships for outstanding high school students — two at Monte Vista and two at Mt. Miguel, are given annually. Three scholarships are awarded at Grossmont College. Additionally, the club sponsors the Circle K club at Grossmont and the Key club at Monte Vista. Little League teams are also sponsored by the S.V. Club, Watts said.

Life-Size Manikin Welcome Grossmont Hospital Addition

A newcomer to Grossmont Hospital is Resusci-Anne, (pronounced re-sus-a Anne) donated by the Women's Auxiliary of Grossmont Hospital. She is a blue suited, pony tailed blonde manikin that lives in a suitcase when she is not in use by Mrs. Marilyn Folck, R.N., Co-ordinator of In-Service Education, for training purposes. Mrs. Susan Mathias, Director of Nursing Services recommended that she be purchased and at this time for she is the only lifelike rescue manikin in the East County hospitals.

Rususci-Anne will be used in a training program this month, conducted by Mrs. Folck, for all nursing personnel in the hospital and later on for all additional personnel from as many other departments as possible. She is used for training in closed chest cardiac resuscitation, and mouth to mouth breathing. Sudden "death" can occur for no apparent reason or can result accidentally. The cause in either case may be reversible. Resuscitation is then possible if steps are undertaken immediately. Four minutes without oxygen can be fatal or permanently damaging so thorough training is very important.

Mrs. Folck stresses that hospital personnel will be trained to react to an emergency without delay or confusion to start mouth to mouth breathing at once without unnecessary time-consuming preparations.

Resusci-Anne is composed of the following parts: skull, by pass valve, shoulders, face skin, lungs, inflatable body, mask forming apparatus, puncturing form, probe, plastic sheets, disposable mask, pump, sweat shirt, sweat pants, alcohol, antiseptic, head model, and carrycase.

Coffey, Sis and Pup

Valley Merchant Is Study in Contrasts

For people who get a big kick out of studying contrasts in this mixed-up world, there's an enterprising gentleman in Spring Valley who presents an unusual case in point.

Chuck Coffey, 3337 Elkelton pl., Spring Valley, was for many years the owner and operator of Cholly's Pantry Cafe in Lemon Grove. The cafe was located in the old theatre building, between Broadway and Lester on Imperial ave.

Now Coffey and his wife, Sis, and their dog, Meatball, are runney Coffey's Bargain Town, 2120 Jamacha rd. Just what to call the Bargain Town is a rough task.

According to the owner, the Bargain Town is "a dealership in building material, new and used". But after you browse around the acre-plus assemblage of just about everything, his description is found to be lacking.

The Bargain Town also handles a new line of plastic piping, which Coffey tabs the "coming thing" in the pipe business.

"I laid about 60 feet of the plastic pipe in 20 minutes," explained Coffey. "It would take me more than a day to lay conventional piping, because it has so many sections. The plastic piping comes in only four sections."

A major part of Coffey's work is done on the repair and salvaging of small gasoline engines. He is constantly doing some type of repair work on motor-operated gardening equipment, along with mini-bikes and go-karts.

Wife Sis gets into the act in the child's wagon department. She fits together various pieces of junked wagons to make new, sell-able wagons. She also aids her husband in the repair of bicycles and other children playthings.

Among the many other things handled at the Bargain Town are various types of fencing and also a small collection of antiques. Coffey has an old discarded rocking chair he plans to rebuild and refinish and display on the roof of his office.

The Coffey's are still in the process of moving into the new location. The switch took almost two months to complete, with the new site not as organized as the owners want it to be.

"When we finally get everything arranged and our building set down, the business will look better and run smoother," said Coffey.

One service that Coffey particularly enjoys offering to his customers is the area of ideas.

"Often people come in here with an idea about a project they want to undertake. But they just can't put their ideas into order and really plan out what they want to do. I try and help them fix up a workable idea of just what they actually want to do."

Coffey contends that it wasn't such a contrasting switch when he moved from the cafe business to the do-it-yourself handyman, salesman occupation.

"Even when I and the restaurant, I used to sell clothesline polls wholesale in the afternoon. Things would get pretty slow in the afternoon, so I would spend some of my time as a handyman."

If you're not quite sold on this fellow's capabilities yet, you can add metal cutting, welding, and lumber cutting to his list of abilities.

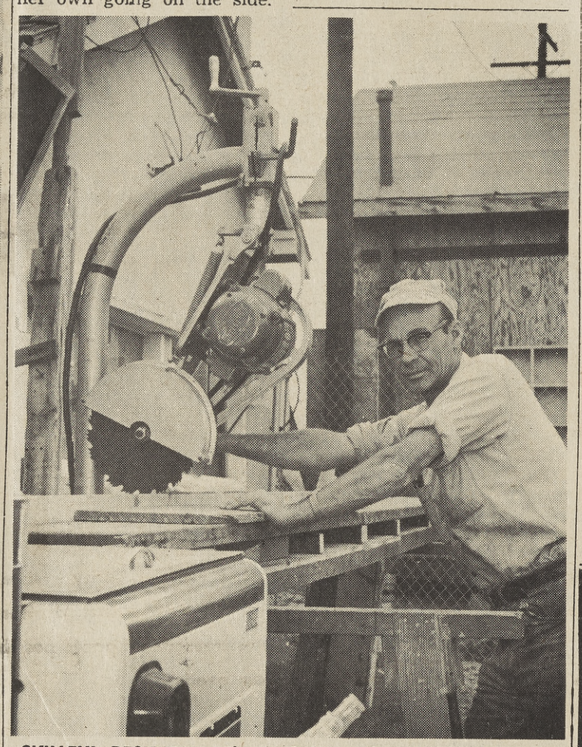

Coffey generously gives credit to part of his success coming from Meatball.

"I'd say 90 per cent of the customers who come into the lot grow attached to Meatball. People come back to see her and they end up buying something."

Everybody seems to be getting in the act in the business. One wouldn't be surprised if Meatball had a concession of her own going on the side.

THE LAYOUT: Chuck Coffey, wife Sis, and dog Meatball, display a portion of the huge assortment of garden equipment and an antique rocker at their Bargain Town business location at 9120 Jamacha rd., Spring Valley. Building in the rear is the office of the establishment. Coffey's Bargain Town cover over an acre and specializes in building materials.

SKILLFUL RESIDENT: Chuck Coffey of Spring Valley displays one of the many talents he possesses, which has made his business a success, as he trims some lumber on his swing saw. Coffey is also an experienced welder, pipefitter, and small gasoline engine repair man.

Football Light Project Going At Monte Vista

"Monte Vista football fans will be able to watch the very first night game October 20 on the Monarch field if the stadium lighting project currently underway moves ahead on schedule," Principal R. C. Brady said.

Construction is underway on installation of a first-class stadium lighting system to match the first-class cement seating project for 4,000 completed last spring. The entire stadium project is being coordinated and financed through the Monte Vista Booster's Club, a non-profit corporation of local parents and citizens interested in providing stadium facilities for school and community use.

Although the basic electrical installations are being contracted by a commercial firm, a large portion of the project involves volunteer services and materials such as painting of poles, digging trenches, installing the scoreboard, putting up fences, ticket booths, press box, rest rooms, and concession stands.

Any group or individuals interested in helping with any phase of the stadium project should contact either Mr. Robert Divine, vice-principal at Monte Vista, or Mr. Bill Baker, Booster's Club vice-president.

Learn Spanish the Easy Way

Hardison's Telespanish

by James Hardison

"How long should it take me to learn to speak Spanish?" is a question frequently presented by beginning students of all ages. It is a question that can not easily be answered.

As a comparison, we might ask "How long did it take to learn English?" Some specialist in this field once said that we spend up to as much as two years listening to English before we can produce desired sounds which represent the basic ideas we may wish to express when we are first learning the language.

Prospects for learning Spanish are much better. There are so many related English words with similar Spanish spellings which become guides to translation and pronunciation. We acquired these similar words when we were learning English and they help us to learn Spanish at that much faster.

The average person who applies himself or herself to a daily routine in practicing Spanish can usually have a command of enough important phrases to "get along" after several months. Others spend several years and become highly proficient.

Above all, one learns Spanish through being consistent, persistent and patient. This is done by consistently concentrating on the learning of new words and phrases each day. It is equally important to say each new Spanish word or phrase aloud until it is said correctly. It is also helpful to be patient with oneself until the meaning or variation of new words is fully understood.

Invest your capabilities for being consistent, persistent, and patient in learning the following phrases. You will find that you have more qualities for learning than you thought. Dial 276-2762 on your telephone to test your pronunciation.

IMPORTANT PHRASES
Say "Me levanto temprano." (meh leh-VAHN-toh tehm-PRAHN-noh)
for "I get up early."
Say "Cada dia." (KAH-thah DEE-ah)
for "Every day."

USEFUL PHRASES
Say "A que hora?" (ah keh OH-rah)
for "At what time?"
Say "A las seis." (ah lahs SEH-ees)
for "At six o'clock."

OTHER PHRASES
Say "Es muy temprano." (ehs MOO-ee tehm-PRAHN-noh)
for "That is very early."
Say "Yo se." (yoh SEH)

CHRONIC CHEST PAINS, PERSISTENT COUGH CORRECTED

Some time ago, we ran an article about a Monterey Heights housewife regaining her health in our clinic. It's a pleasure to write this article on the success we had with her fifty-two year old sister she brought in to us from Lemon Grove.

This mother of two teen-agers had a serious chest condition that had resisted all efforts of "specialists" for several years. Discouraged she related her sad, fruitless experiences.

Her condition had been "diagnosed" as "chronic bronchiectases." We found she was suffering from a long string of secondary ailments such as hot and cold flashes with profuse sweating especially at night, interfering with her sleep. She got up tired every morning and difficult breathing kept her physically exhausted. "Every little effort just wears me out—sometimes I'm just too tired to eat," she complained. Constant deep coughing didn't help matters and sometimes caused heart palpitations along with dizziness and fainting spells. Indigestion related with gas, bloating, constipation and hemorrhoids was enough to make anyone nervous, depressed and bring on crying spells. "I can live with everything else, Dr. Marcy, but please do what you can for my chest," she pleaded.

Our spinal examination pointed out many defective nerves in her spine. It was easy to understand why she suffered with so many different ailments. Spinal X-rays enabled us to re-align and balance her spine. This removed the nerve pressures and she was utterly amazed to see her symptoms disappeared as Nature restored normal functions. Our last checkup showed her renewed health reflected in her smiling face.

Because you have tried everything else is no reason to give up hope — chiropractic may be your answer, too. Results speak for themselves. All our case histories, amazing as they may seem, are clinical facts — they happened as we report them. Only a chiropractor can tell if you will respond to chiropractic care. We do not accept all patients that come in — but we do help almost all patients we accept. We had rather not have you as a patient than fail to get results.

If your health is less than it should be consult the MARCY CHIROPRACTIC OFFICE before winter sets in. What can you lose except your ill health?

Watch for article next week.

Circus Over - Big Show Is Coming

DEPENDABLE DUO: Mt. Miguel will rely on this pair for much of their offensive push when they face Kearny in the Matadors first game of the new season tomorrow night at 8 p.m. in Aztec Bowl. In the photo, quarterback Jerry Lowery, a returnee from last season, hands the pigskin off to left-halfback Jeff Buckner.

The circus is over, that is, the Grossmont Football League Carnival, which has its yearly run while everyone else is playing football each fall. Now, a week behind the competition, Grossmont teams dive into regular season play tomorrow night.

Mt. Miguel and Monte Vista, local representatives in the high school football wars, get their first shot tomorrow night as the Matadors travel to Aztec Bowl to test Kearny and the Monarchs battle Mission Bay at La Jolla.

Both teams participated in the Grossmont League Football Carnival, with neither the Matadors or Monarchs scoring or allowing their opponents to score.

Monte Vista coach Dick Fager, bolstered by the largest turnout in the brief history of the Spring Valley school, will field a team with nine lettermen from a squad that captured its last four games in league play last year.

The mainstay of the Monarch attack will be returning quarterback Chuck Downing, who developed into one of the best signal-callers in the county near the end of last season.

Other backfield starters for the Monarchs include returning halfback Maughn Kent, a 6-0, 180-pound senior who led the locals ground game last season. Phil Duncan will run from the fullback slot, with Gordon Rock also slated to see offensive backfield duty.

Additional offensive starters include end Dave Shelton, guard Dave McIntyre, 220-pound tackle Joe Rayburn, and defensive end Roger Pitts.

Ron Duckworth and Dennis Weikel will anchor the defensive secondary, along with Duncan and Kent.

Derrill Nave will be positioned at the defensive end slot for the Monarchs, with other defensive starters including Shelton, Tony Kienzle, Rayburn and Pitts.

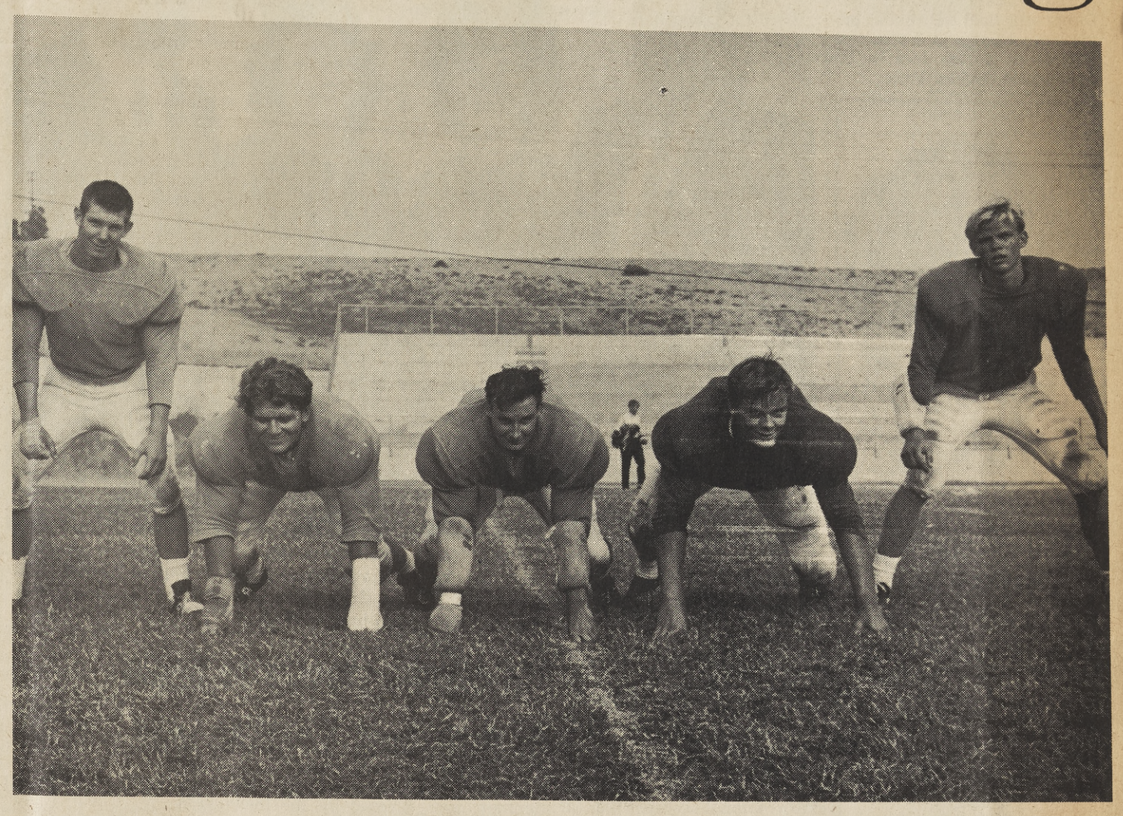

Across the hill at Mt. Miguel, Coach Ben Cipranic has a unique roster and lineup situation.

"We'll only be carrying 28 boys on the traveling roster, and all 28 will be playing in some starting position during the game," explained Cipranic.

In assessing his offensive weaponry, one name sticks in the coaches mind. That is returning senior quarterback, Jerry Lowery.

Other backfield starters for the Matadors include fullback Bill O'Connor, halfbacks David Storm and Jeff Buckner. Up front the locals have Mike Bauer, Gary Cooper, Roy Degurse, Rich Hoffman, Bob Jacobson, and Craig Wollitz.

Defensively the Matadors will sport a lineup consisting of guard Bauer, Cooper, guard Dan Fillippini, end Glenn Heath, guard Jacobson, Bruce Johnson, end Craig Sandling, Storm, and guard Bill Winchester.

RUGGED CORP: Opposing offenses will have to tangle with this lineup of defensive madmen when they face Monte Vista on the gridiron this season. From left to right, the Monarch defense includes Dennis Weikel, Tony Kienzle, Bill Scheerer, Joe Rayburn, and Gordon Rock. Coach Dick Fager's gridders travel to La Jolla tomorrow night to face Mission Bay.

OPEN HOUSE

of their completely remodeled
L.G. Mortuary

SUNDAY, OCTOBER 1, 1967

1 - 5 P.M.

When we opened our Lemon Grove mortuary in 1954, the facility was designed to serve a community the size of the area population at that time.

The area has seen unprecedented growth during these 13 years and we have grown with the community. The latest expansion, one which we hope you'll come to see Sunday, will meet the needs of the community for several years to come.

Our growth did not come by chance. The Conrad family's policy, one which has never changed, is that of offering the highest professional standards at the most reasonable prices possible, overlayed by personal service dedicated to your needs.

Some of the scenes you'll view:
The Facade (left) — You'd never recognize it. Workmen performed this modern miracle in remodeling without interrupting the efficient, personalized service the Conrad family provides for all.

In planning our face lifting (you'll never recognize the former facility) we chose only the finest artisans we could obtain.

Many hours were spent with the fine Lemon Grove architect Hal Wolfe. He developed the mansard style building with an eye to utilizing all available space. You'll see the artistry of his work when you come Sunday.

After careful consideration it was R. A. Weeks Construction Co., of Lemon Grove, who was chosen for the remodeling job. Because of his cooperation and planning, it was possible to continue operations during the process. As if this were not enough, he completed the job three weeks ahead of schedule.

The outside surface is a triumph of newness. E. C. Wilson Co. used a product — Surf-a-Kote, a combination of asbestos and apoxy, to cover the completed building. Unless we tell, few realize that it is not a new building.

Strang Metals installed a complete air conditioning system over the entire building. Temperature and humidity levels remain constant regardless of the outside heat or cold.

Massive carved entrance doors were developed by Custom Swag Lighting through a new technique. Impressive door pulls also came from them.

Soft, appropriate music throughout the building is the result of the installation by National Music Service. It is the first such installation in San Diego County, and certainly the finest. Your choice of more than 100 hymns is available for all services.

The Chapel (right) — Here is a view of the enlarged chapel. It is spacious yet has an air of warmth and restfulness. The chapel, as with every other section of Conrad Mortuary, is air conditioned. Adjoining slumber rooms provide quiet dignity and privacy.

To see what these fine firms have contributed so that your needs may be better served, visit us Sunday between 1 and 5 p.m. Enjoy light refreshments, tour our newly remodeled home and meet the Conrads. You'll meet Kenneth Conrad and his wife Marian, and Gary Conrad and his wife Donna. Another member of our staff is Robert Goodwin and you'll meet and hear Ron Simmons, our staff organist who has been with us 11 years.

The Lobby (below) — The lobby has been tripled in size. Note the comfortable informality of the room. Services conducted in the chapel or other parts of the mortuary may be heard here — softly but distinctly — by way of modern electronics. The decor is arranged to suggest peace and quiet.

Midgets, Brahams Win Pop Warner Grid Tilt

Los Toros Pop Warner Football teams played all three games away from home this past weekend winning two and dropping one.

Shorty Bannister's Midgets played Southeastern at Lincoln High Saturday afternoon winning, 35-0.

In the first quarter Tim Miller intercepted a pass and Bob Szalay went over for the first score. Szalay made the extra point. At the end of the second quarter the Midgets led by a score of 14-0. Frank Sosa went around left end for the touch down and Szalay made the extra point.

Jim Reese intercepted a pass and returned the ball to the goal for the third touchdown of the game. Szalay made the extra point. Jim Reese went over right end for another touchdown in the fourth quarter with Szalay going through left tackle for the extra point. Sosa went around left end for another six with Szalay making the extra point.

Los Toros Longhorns traveled to Grossmont High Saturday morning. The team was scored on once in each quarter and lost 28-0.

The Brahmas, Pee Wee East, won their game 26-7 over South Bay at El Toyan Park. In the first quarter Mike Benson ran 50 yards for the first TD in the game. Craig Etherton made the extra point on a pass from Jess Jenner. Benson returned the ball on an 80 yd. run in the second stanza for another six. In the third quarter Jenner ran 65 yards on a roll out around right end to score. South Bay scored on a fumble.

In the final quarter, Harold Slaughter scored on a 15 yard run. Jenner made the extra point on a quarterback sneak.

Next week will also see all three teams away from home. The Midgets will play South Bay at El Toyan Park at 1:30 p.m., Brahmas will play Skyline at Morse High at 11 a.m., and the Longhorns will play Escondido at Escondido High at 2 p.m.

PTA Carnival Slated Oct. 7 In Balboa Park

Ninth District, California Congress of Parents and Teachers, invite all the County residents to come and see the useful things people can make from household discards to expensive materials when they hold their annual Craft Carnival October 7, 10 a.m. until 3:30 p.m. in the Conference Building, Balboa Park. The carnival stresses the idea of creativity of parents, teachers and children to show the pleasure that can be found in the family by making and doing things together.

Crafts for all ages from preschool all the way to senior citizens will be on display, toys, for tots, handicraft for the sick child, Scouting, flower-making, tin-snipping, mosaics, candles, Christmas decorations, needle work, table decorations, Dad's department, and many more.

Craft making techniques will be demonstrated by skilled persons who will have printed instructions and patterns available.

A nominal admission of 25c per adult will be charged to help defray cost of the building rental. Children under 12 free.

Among area PTA officials participating in the event are Mrs. R. J. Collette from the Foothills Secondary Council and Mrs. Robert Croy of the Valley Grove group.

Welfare Group Rummage Sale October 12

Mrs. Agnes Watkins, shop chairman for the Spring Valley Community Welfare Inc., announced at their Sept. 19 meeting that a rummage sale will be held Oct. 12 and 13 in the Casa de Oro Plaza, from 9 a.m. to 12 noon. This will be at the same time the elementary schools annual clothing drive is in progress, to assist the Welfare.

At the meeting, also, it was reported that the names of the three girls who received the Girl Scout Camperships had been released. They are Vanessa Woodard and Barbara Bole, $25 each from the Odessa Collins Campership; and Janet Duke, $50 from the Lewis and Clark Campership. The girls are entitled to two weeks outing.

The Sept. 19 meeting was the first fall meeting of the Welfare membership, and Mrs. Marilyn Fisher, newly elected secretary, was at her post. The organization meets the third Tuesday of each month at 9 a.m. in the Pals and Gals Clubhouse (Goodland Acres) on Troy st., Spring Valey.

Board To Raise Rent For Shelter

SAN DIEGO (CNA) — A close look at the amount of money that the county pays to the Spring Valley Sanitation District for the land on which the Spring Valley dog pound is directed on Monday by the board of supervisors.

Supervisor Robert Dent who represents Spring Valley said he did not believe that the $125 per cent rent for the 7,400 square feet site is sufficient return to the district.

ORDINANCE NO. 67-1
AN ORDINANCE ADOPTING A UNIFORM FIRE CODE PRESCRIBING REGULATIONS GOVERNING CONDITIONS HAZARDOUS TO LIFE AND PROPERTY FROM FIRE OR EXPLOSION AND ESTABLISHING A BUREAU OF FIRE PREVENTION AND PROVIDING OFFICERS THEREFORE AND DEFINING THEIR POWERS AND DUTIES

Be it ordained by the Board of Directors of the Spring Valley Fire Protection District of San Diego County that the said Spring Valley Fire Protection District and all persons living and/or residing within the district boundaries be bound by this ordinance.

SECTION 1. ADOPTION OF THE UNIFORM FIRE CODE.

There is hereby adopted by the Spring Valley Fire Protection District of San Diego County for the purpose of prescribing regulations governing conditions hazardous to life and property from fire or explosion, that certain code known as the Uniform Fire Code recommended by the California Fire Chiefs' Association, being particularly the 1966 edition thereof, save and except such portions as are hereinafter deleted, modified or amended (by Section 7 of this ordinance), of which code not less than three (3) copies have been and are now filed in the office of the Secretary of the Spring Valley Fire Protection District and the same are hereby adopted and incorporated as fully as if set out in length herein, and the date on which this ordinance shall take effect, the provisions thereof shall be controlling within the limits of the Spring Valley Fire Protection District.

SECTION 2. ESTABLISHMENT AND DUTIES OF THE BUREAU OF FIRE PREVENTION.

a. The Uniform Fire Code shall be enforced by the Bureau of Fire Prevention in the Fire Department of the Spring Valley Fire Protection District which is hereby established and which shall be operated under the supervision of the Chief of the Fire Department.

b. The Chief (or Fire Marshal) in charge of the Bureau of Fire Prevention shall be appointed by the Chief of the Fire Department, approved by the Board of Directors on the basis of examination to determine his qualifications.

c. The Chief of the Fire Department may detail such members of the Fire Department as inspectors as shall from time to time be necessary. The Chief shall recommend to the Board of Directors the employment of technical inspectors who, when such authorization is made, shall be selected through an examination to determine their fitness for the position. The examination shall be open to members of the Fire Department, and appointments made after examination shall be for an indefinite term with removal only for cause.

SECTION 3. DEFINITIONS.

a. Whereever the term "Municipality" is used in the Uniform Fire Code, it shall be held to mean the Spring Valley Fire Protection District.

b. Wherever the term "Corporation Counsel" is used in the Uniform Fire Code, it shall be held to mean the duly employed Attorney at Law of record for the Spring Valley Fire Protection District, and if there be no such employed attorney, then the Office of the County Counsel.

c. Wherever the words "Chief of the Bureau of Fire Prevention" is used in the Uniform Fire Code, they shall be held to mean the Fire Marshal.

SECTION 4. ESTABLISHMENT OF LIMITS OF DISTRICTS IN WHICH STORAGE OF FLAMMABLE OR COMBUSTIBLE LIQUIDS IN OUTSIDE ABOVEGROUND TANKS IS TO BE PROHIBITED.

a. The limits referred to in Section 15.201 of the Uniform Fire Code whereby storage of flammable or combustible liquids in outside aboveground tanks is prohibited is established as Section 4 of this ordinance, except as may be otherwise determined by the Board of Directors of the Spring Valley Fire Protection District upon the recommendation of the Chief of the Fire Department.

SECTION 5. ESTABLISHMENT OF LIMITS IN WHICH BULK STORAGE OF LIQUEFIED PETROLEUM GASES IS TO BE RESTRICTED.

a. The limits referred to in Section 20.05a of the Uniform Fire Code whereby the bulk storage of liquefied petroleum gases is restricted is established as Section 5 of this ordinance, except as may be otherwise determined by the Board of Directors of the Spring Valley Fire Protection District upon the recommendation of the Chief of the Fire Department.

SECTION 6. ESTABLISHMENT OF LIMITS OF DISTRICTS IN WHICH STORAGE AND/OR MANUFACTURE OF EXPLOSIVES AND/OR BLASTING AGENTS IS TO BE PROHIBITED.

a. The limits referred to in Section 11.06a of the Uniform Fire Code whereby the storage and/or manufacture of explosives and/or blasting agents is prohibited is established as Section 6 of this ordinance, except as may be otherwise determined by the Board of Directors of the Spring Valley Fire Protection District upon the recommendation of the Chief of the Fire Department.

SECTION 7. AMENDMENTS MADE IN THE UNIFORM FIRE CODE.

The Uniform Fire Code is amended and changed in the following respects:

ARTICLE 1 GENERAL PROVISIONS
DIVISION II ADMINISTRATION

Section 1.10 paragraph g is amended to read as follows: "The means and adequacy of each exit in the event of fire or safety from factories, schools, hotels, lodging houses, asylums, hospitals, churches, halls, theatres, amphitheatres, and all other places in which people work, live or congregate from time to time for any purpose."

Section 1.10 paragraph i added to read as follows: "The Chief of the Fire Department or his duly authorized agent shall have the power to issue or cause to be issued citations in accordance with Section 853.1 of the Penal Code of the State of California for violations of the regulations as set forth in theUniform Fire Code."

Section 1.13 paragraph c added to read as follows: "Members of the Fire Department assigned to the duties of the Fire Prevention Bureau prior to the adoption of this ordinance shall be deemed qualified as set forth in Sections 2b and 2c of the adopting ordinance."

Section 1.14 is amended to read as follows: "The Chief and members of the Fire Prevention Bureau shall have the powers of a peace officer in performing their duties under this code as defined and within the scope of the Penal Code of the State of California, Title 3; Chapter 4, Section 817. The Chief and the members of the Bureau of Fire Prevention shall be an Arson Investigating Unit of the Spring Valley Fire Protection District."

Section 1.19b add (2) to read as follows: "No person shall tamper, mutilate, destroy, or remove any lock, seal, barricade, cable, sign or marker installed on any building or property by or under the control or jurisdiction of the Chief or other duly authorized personnel which are installed for the purpose of investigation for arson or safety."

Section 1.19b add (3) to read as follows: "No unauthorized person shall unlock any gate, door, barrier, lock, or trespass on or into any building or area which has been duly posted or secured by any means by the Chief of the Fire Department or other duly authorized personnel which has been secured for the purpose of investigation for arson or safety.

DIVISION III GENERAL PROVISIONS APPLICABLE TO PERMITS AND CERTIFICATES.

Section 1.31 APPLICATION FOR PERMIT is amended to read as follows: "All applications for a permit required by this code shall be made to the Bureau of Fire Prevention of the Spring Valley Fire Protection District in such form and detail as it shall prescribe. Application for a permit shall be accompanied by such plans as required by the Bureau of Fire Prevention, one set of which shall be retained by the Bureau."

Section 1.35 is amended by adding paragraph a to read as follows: "FEES FOR PERMITS: There shall be no fee charged for permits required by this code."

DIVISION IV DEFINITIONS, ABBREVIATIONS, RULES OF CONSTRUCTION, AND INTERPRETATION.

Section 1.42A paragraph entitled "Apartment house or multi-family dwelling" is amended to read as follows: "Apartment house or multi-family dwelling: Shall mean any building or portion thereof, occupied, designed, built, rented, or used for occupancy as a home by three (3) or more families, each occupying a separate apartment containing cooking facilities."

Section 1.45D Paragraph entitled "Decorative Materials" is amended to read as follows: "Decorative materials are defined as curtains, draperies, streamers, floor covering, surface covering applied over building interior finish for decorative, acoustical or other effects and also cloth, cotton batting, straw, vines, leaves, trees, and moss used for decorative effect, but shall not include ordinary window shades, nor material one fortieth (1/40) of an inch or less in thickness applied directly to and adhering to a base."

Section 1.45D add paragraph "Dining room" to read as follows: "Shall be defined as a building open to the public for the purpose of eating, in which more than ten (10) persons can congregate."

Section 1.47F add paragraph entitled "Fire Extinguisher Classification" to read as follows: "For the purpose of this classification the standards of the National Board of Fire Underwriters pamphlet No. 10, Installation, Maintenance, and Use of Portable Fire Extinguishers is adopted."

Section 1.47F add paragraph entitled "Fire Types and Classes" to read as follows: "Fire shall be divided into four basic types:

(a) Class A Fires, defined as fires in ordinary combustible materials such as wood, paper, cloth, etc.
(b) Class B Fires, defined as fires in flammable petroleum products or other flammable liquids, grease, etc.
(c) Class C Fires, defined as fires involving energized electrical equipment where the electrical nonconductivity of the extinguishing media is of importance.
(d) Class D Fires, defined as fires in combustible metals, such as titanium, zirconium, sodium, potassium, etc.

ARTICLE 13 FIRE PROTECTION
DIVISION I GENERAL PROVISIONS

Add "Section 13.04 BUILDING DESIGNATION:" to read as follows: "It shall be the responsibility and duty of the owner or occupant to provide and maintain on the street front of all buildings and in the vicinity of the rear entry door of all commercial, mercantile and industrial buildings which are accessible to the rear by alley, street, or public way, numbers designating the building address. These numbers shall be located in a conspicuous place and shall be of a size approved by the inspection authority having juridiction.

DIVISION II FIRE CONTROLS

Amended by adding Section 13.24a to read as follows: "No person shall use, operate, or cause to be used or operated on any fire hydrant, any tool or device which was not specifically designed for the purpose of the operation to control the flow of the water supply."

DIVISION III FIRE PROTECTION APPLIANCES.

Section 13.30 INSTALLATION amended by adding paragraph d reading as follows: "Design of Subdivision and Division of Land: All premises where buildings and/or dwellings are hereafter constructed and/or located more than 250 feet from a public street providing access to such premises shall be provided as required by the Chief of the Fire Department with approved fire hydrants connected to a water supply capable of supplying the fire flow required by the Chief. The location of such fire hydrants shall be as designated by the Chief. Paved access to the fire hydrants shall be provided and maintained to accommodate fire fighting equipment."

and paragraph e, reading as follows: "All premises used as trailer parks and/or trailer or auto camps shall be provided as required by the Chief of the Fire Department with fire hydrants connected to a water supply capable of supplying the fire flow required by the Chief. The location of such fire hydrants shall not exceed 500 feet. Paved access shall be provided and maintained to accommodate fire fighting equipment."

DIVISION III FIRE PROTECTION APPLIANCES further amended by adding:

ARTICLE 27 PRECAUTIONS AGAINST FIRE General

Section 27.01 BONFIRES AND OUTDOOR RUBBISH FIRES is amended to read as follows: "No person shall build, light, maintain, or cause or permit to be built, lighted or maintained any open or outdoor fire; use, or cause or permit to be used, any fire for clearing land; burn or cause or permit to be burned, any brush, trash, rubbish, stubble, or other flammable or combustible materials unless he is at least 18 years of age, and

a. Secures from the authorized personnel of the Fire Department having jurisdiction a permit to do so; and

b. Such burning is in accordance with the following:

(1) The fire is in one or more small piles or heaps.
(2) The fire is not in conjunction with any commercial or industrial use.
(3) There is at least one adult person in actual attendance with water, garden hose, shovels, or other fire extinguishing equipment on hand in charge of such fire at all times during its burning.
(4) Such burning is done not less than twenty-five (25) feet from building, structures, or other combustible materials.
(5) Such burning is done from April 15th to December 15th of the same year, during the hours of 6:00 AM to 9:00 AM and during the hours of 6:00 PM and 9:00 PM of the same day. From December 15th to April 15th of the following year, burning hours shall be from 6:00 AM to 9:00 PM of the same day.
(6) There is no appreciable wind; and
(7) The relative humidity is not less than thirty per cent.
(8) The Chief of the Fire Department shall have the authority to restrict any and all burning during times of high fire hazardous conditions as determined by prevailing conditions. Notification through the normal local news media shall be considered as sufficient notice of restriction, but shall not be limited to this method of notification;

or unless

c. Such burning is within the boundaries of any fire area as designated pursuant to Section 27.22 and such burning shall be confined within such enclosures or areas as approved by the inspection authority. Violation of any Section within this Article shall be just cause to revoke any permits issued pursuant to this Article.

Section 27.03—DISCARDING BURNING OBJECTS PROHIBITED shall be amended by adding the following: "27.03a No person shall throw or discharge from any vehicle any litter, cigarette, cigar, ashes, or other flaming or glowing substance, or any substance or thing which may cause a fire."

Section 27.05 ACCUMULATION OF WASTE MATERIALS shall be amended by adding paragraph d to read as follows: "Housekeeping and fire nuisance shall be regulated in accordance with the Rules and Regulations of the State Fire Marshal's Law and Article 65 contained therein."

Section 27.08 FLAMMABLE DECORATIVE MATERIALS shall be amended by adding the following: "27.08a Display and sale of ornamental and Christmas Tree lights, wiring, cords, and fixtures used for wholesale and retail sales to any person or concerned shall be Underwriter Laboratories Inc. approved." (UL)

"27.08b Commercial display, ornamental and Christmas Tree lights, wiring, cords, and fixtures usage shall be prohibited unless Underwriters Inc. approved." UL

Section 27.22 HOURS OF BURNING is amended by adding to paragraph a the following: "and in accordance with Section 27.01b (5)."

Section 27.28 REPORTING OF FIRES paragraph a is amended to read as follows: "In the event a fire occurs on any property, the owner or occupant shall immediately report such fire to the Fire Department."

ARTICLE 29 SMOKING

Section 29.02 SMOKING paragraph a is amended to read as follows: "It shall be unlawful between the 15th day of April and the 15th day of December of any year, both dates inclusive, for any person to light, ignite, or otherwise set fire to or to smoke any tobacco, cigarette, pipe, or cigar in or upon any mountainous, brush or forest-covered land, or covered with any flammable material; or upon any road or trail traversing any such mountainous, brush or forest-covered land or lands covered with flammable material. Provided, however, that nothing in this Section shall apply to the area within the boundaries of any established smoking areas as designated by the Chief. The Chief may extend the period of "NO SMOKING" beyond the above date if, in his opinion, adverse weather conditions or other circumstances warrant an extension of the prohibition."

The Uniform Fire Code is further amended by adding the following:

"ARTICLE 34 WAREHOUSES"

Section 34.01 AUTOMATIC SPRINKLER SYSTEMS:

Warehouses having an area of more than 3000 sq. ft. where highly combustible materials are stored, shall have installed automatic fire extinguishing systems in accordance with the standards of the National Board of Fire Underwriters pamphlet No. 13, Installation of Sprinkler Systems. If, as determined by the inspection authority, this requirement is not feasible due to lack of sufficient water flow, a heat-detection fire alarm system, supervised as defined in Article 72 of the State Fire Marshal's Law, may be substituted. Warehouses of less than 3,000 sq. ft. housing materials of EXTREMELY high combustible nature, shall meet the requirements of this Section.

Section 34.02 AISLES

Minimum width of center aisles shall be eight (8) feet to accommodate mechanical handling equipment. Cross aisles shall be a minimum of 24 inches in width and shall be spaced a maximum distance of 20 feet along the line of travel of the main aisles.

Section 34.03 CLEARANCE ABOVE STOCK PILES

In sprinklered buildings, 12-inch clearance shall be maintained above piles where they are seven (7) feet or less in height. Where stock piles are from eight (8) feet to fifteen (15) feet in height, the clearance shall be eighteen (18) inches. For stock piled over fifteen (15) feet, these clearances shall be doubled. Clearance shall be measured from the top of the stock pile to the sprinkler heads in sprinklered buildings and to the ceiling in other cases. In trussed-roof construction the clearance shall be measured to the bottom of the truss. Clearance specified for sprinklered buildings shall be maintained if a heat-activated fire alarm system is substituted for automatic fire extinguishing system.

Section 34.04 ACCESS TO FIRE EQUIPMENT

It shall be the responsibility and duty of the owner or occupant to so locate stock as not to prohibit access, operation, or observation of stairways, elevators, fire doors, exit doors, sprinkler valves, hose connections, portable fire appliances, fire alarm boxes, main electrical controls, circuit breakers, etc.

Section 34.05 SIGNS REQUIRED

Where the nature and method of storage, location of fire equipment as defined in this article is obstructed from observation, it shall be the responsibility and duty of the owner or occupant to install and maintain signs designating the location of said equipment.

Section 34.06 FENCES AND GATES

Where fences and gates are provided, adequate and sufficient gates shall be provided for access of fire fighting equipment.

Appendices "A" and "C" are adopted as set forth in the Uniform Fire Code, and Appendix "E" SUPPRESSION AND CONTROL OF HAZARDOUS FIRE AREAS is adopted as set forth in the Uniform Fire Code with the following amendments thereto:

13. OUTDOOR FIRES paragraph a (2) is amended to read as follows: "When there is no person eighteen (18) or over present at all times to watch and capable of tending such fires;" and

16. CLEARANCE OF BRUSH OR VEGETATIVE GROWTH FROM STRUCTURES paragraph a (3) is amended to read as follows: "Remove that portion of any tree or other vegetation which extends within ten (10) feet of the outlet of any chimney."

18 ILLEGAL DUMPING is amended to read as follows: "No person shall place, deposit, or dump any garbage, cans, bottles, papers, ashes, refuse, trash, rubbish, or combustible waste material in or upon any lands, whether the property of himself or another. Public and private dumping areas having been approved by the agency having jurisdiction shall be deemd to be in compliance with this Section."

24. ENFORCEMENT paragraph a is amended by deleting therefrom: "(3) United States Forest Service Officers" and changing (4) to (3).

APPENDIX F AN ORDINANCE ADOPTING A UNIFORM FIRE CODE PRESCRIBING REGULATIONS GOVERNING CONDITIONS HAZARDOUS TO LIFE AND PROPERTY FROM FIRE OR EXPLOSION, AND ESTABLISHING A BUREAU OF FIRE PREVENTION AND PROVIDING OFFICERS THEREFORE AND DEFINING THEIR POWERS AND DUTIES.

SECTION 8 APPEALS is amended to read as follows: "Whenever the Chief of the Fire Department shall disapprove an application or refuse to grant a permit applied for, or when it is claimed that the provisions of the code do not apply, or that the true intent or meaning of the code has been misconstrued or wrongly interpreted, the applicant may appeal the decision of the Chief of the Fire Department to the Board of Directors within 30 days from the date of the decision."

SECTION 9 NEW MATERIALS, PROCESSES, OR OCCUPANCIES WHICH MAY REQUIRE PERMITS is amended to read as follows: "The Spring Valley Fire Protection District Board of Directors, the Chief of the Fire Department, and the Chief of the Bureau of Fire Prevention shall act as a committee to determine and specify, after giving affected persons an opportunity to be heard, any new material, processes, or occupancies, which shall require permits, in addition to those enumerated in said code. The Chief of the Bureau of Fire Prevention shall post such list in a conspicuous place in his office and distribute copies thereof to interested persons."

SECTION 10 PENALTIES paragraph a is amended to read as follows: "Any person who shall violate any provisions of the code hereby adopted or fails to comply therewith, or who shall violate or fail to comply with any order made thereunder, or who shall build in violation of any detailed statement of specifications or plans submitted and approved thereunder, or any certificate or permit issued thereunder, and from which no appeal has been taken, or who shall fail to comply with such order as affirmed or modified by the Spring Valley Fire Protection District Board of Directors or by a court of competent jurisdiction, within the time fixed therein, shall severally for each and every such violation and non-compliance respectively, be guilty of a misdemeanor punishable by a fine of not less than $25.00 nor more than $500.00 or by imprisonment for not less than 10 days nor more than 180 days or by both such fine and imprisonment. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue; and all such persons shall be required to correct or remedy such violations or defects within a reasonable time; when not otherwise specified, each ten (10) days that the prohibited conditions are maintained shall constitute a separate offense."

paragraph b is amended to read as follows: "The application of the above penalty shall not be held to prevent the enforced removal of the prohibited conditions."

SECTION 10 of the Uniform Fire Code is amended by adding thereto paragraph c as follows: "Violation of any of the provisions of this ordinance shall be punishable as provided in Sections 13871, 13873, and 13874 of the Health and Safety Code of the State of California."

SECTION 11 REPEAL OF CONFLICTING ORDINANCES

All former ordinances or parts thereof conflicting or inconsistent with the provisions of this ordinance or of the code hereby adopted are hereby repealed.

SECTION 12 VALIDITY is amended to read as follows: "The Spring Valley Fire Protection District hereby declares that should a section, paragraph, sentence, or word of this ordinance or of this code hereby adopted be declared for any reason to be invalid, it is the intent of the Spring Valley Fire Protection District that it would have passed all other portions of this ordinance independent of the elimination herefrom of any portion as may be declared invalid."

SECTION 13 DATE OF EFFECT

The previously stated Uniform Fire Code and Amended Sections are hereby approved for adoption by the Board of Directors of the Spring Valley Fire Protection District of San Diego County and shall become effective this 14th day of Sept., 1967.

ORDINANCE NO. 67-2
AN ORDINANCE ESTABLISHING A PROCEDURE FOR CITATIONS IN LIEU OF ARREST

Be it ordained that the Spring Valley Fire Protection District does hereby resolve and establish that;

Section 1. NOTICE IN LIEU OF TAKING ARRESTED PERSONS BEFORE A MAGISTRATE.

(a) If any person is arrested for a violation of any one or more of the provisions of any ordinance of this district, and such person is not immediately taken before a magistrate as is more fully set forth in the Penal Code, the arresting officer shall prepare in duplicate a written notice to appear in court, containing the name and address of such person, the offense charged, and the time and place where and when such person shall appear in court.

(b) The time specified in the notice to appear must be at least five days after such arrest.

(c The place specified in the notice to appear shall be the court of the magistrate before whom the person would be taken if the requirements of taking an arrested person before a magistrate were complied with, or shall be an officer authorized by such court to receive a deposit of bail.

(d) The officer shall deliver one copy of the notice to appear to the arrested person and the arrested person in order to secure release must give his written promise to appear in court by signing the duplicate notice which shall be retained by the officer. Thereupon the arresting officer shall forthwith release the person arrested from custody.

(e) The officer shall, as soon as practicable, file the duplicate notice with the magistrate specified therein. Thereupon the magistrate shall fix the amount of bail which in his judgement, in accordance with the provisions of Section 1275 of the Penal Code, will be reasonable and sufficient for the appearance of the defendant and shall endorse upon the notice a statement signed by him in the form set forth in Section 815a of said code. The defendant may, prior to the date upon which he promised to appear in court, deposit with the magistrate the amount of bail thus set. Thereafter, at the time when the case is called for arraignment before the magistrate, if the defendant shall not appear, either in person or by counsel, the magistrate may declare the bail forfeited, and may in his discretion order that no further proceedings shall be had in such case.

(f) Upon the making of such order that no further proceedings be had, all sums deposited as bail shall forthwith be paid into the County Treasury for distribution as provided by law.

(g) No warrant shall issue on such charge for the arrest of a person who has given written promise to appear in court, unless and until he has violated such promise or has failed to deposit bail, to appear for arraignment, trial or judgement, or to comply with the terms and provisions of the judgement, as required by law.

Section 2. VIOLATION OF WRITTEN PROMISE TO APPEAR. Any person willfully violating his promise to appear in court given pursuant to Section 1 is guilty of a misdemeanor regardless of the disposition of the charge upon which he was originally arrested.

Section 3. ISSUE OF WARRANT OF ARREST. Whenever any person signs a written promise to appear at the time and place specified in the written promise to appear in accordance with section 1c and has not posted bail as provided in Section 1e, the magistrate shall issue and have delivered for execution a warrant for his arrest within 20 days after the failure to appear as promised, or if such person promises to appear before an officer authorized to accept bail other than a magistrate and fails to do so on or before the date on which he promised to appear, then, within 20 days after the delivery of such written promise to appear by the officer to a magistrate having jurisdiction over the offense.

(a) In accordance with Section 853.3 of the Penal Code, when such person violates his promise to appear before an officer authorized to accept bail other than a magistrate that officer shall immediately deliver to the magistrate having jurisdiction over the offense charged the written promise to appear and the complaint, if any, filed by the arresting officer.

The previously stated Ordinance No. 2 is hereby approved for adoption by the Board of Directors of the Spring Valley Fire Protection District of San Diego County shall become effective this 14th day of Sept., 1967.

LIGHT FOR THE LAW: San Diego County Sheriff Joseph C. O'Connor, right, receives instruction on the working of a mercury vapor, dusk-to-dawn lighting fixture presented to the Lemon Grove substation by Kenneth M. Brown, Eastern District Manager of the San Diego Gas and Electric Co. The firm donated the fixture to the Sheriff's Department to mark installation of the 1000th new security lighting fixture by the company.

Lemon Grove Sheriffs Substation Receives Gas Co. Light Fixture

LEMON GROVE — The San Diego Gas & Electric Company marked the installation of its 1000th mercury vapor, dusk-to-dawn light this week by presenting a new security lighting fixture to the San Diego County Sheriff's Department.

Sheriff Joseph C. O'Connor accepted the fixture from Kenneth M. Brown, SDG&E's Eastern District manager, and from SDG&E sales representative, Kenneth Wear, for use in front of the Sheriff's Department Lemon Grove Branch Office.

"This increased lighting will be of major benefit in protecting and illuminating the area around the branch office and will help to show citizens where we are located," O'Connor said.

The Sheriff's Department is a strong proponent of the general use of light as an effective deterrent against night-time crimes of stealth. O'Connor will personally endorse the forthcoming "Light the Night campaign to be launched in about one month by the San Diego Board of Realtors.

The local utility started the security lighting program in the Lemon Grove area early this year. Presently more than 1110 contracts for the mercury vapor fixtures have been received by the company's Comercial Sales Department.

The new type of luminaires, automatically operated by a phtoelectric cell, which turns the light on at dusk and off at dawn, is intended primarily for application in locations where the security of persons and property is involved.

SDG&E installs and maintains the fixutres, which are leased to customers at a monthly fee. The luminaires are available with 175-watt or 400-watt lamps and are installed primarily on existing utility poles.

"Since we have this light on a three year contract, this is some indication of our plans on keeping this substation open," stated Sheriff O'Connor.

Youths Play Dominant Role In Fire Department Coverage

In both the ambulance calls and the fire calls of the Spring Valley Fire Department, this past week, young people played a major role.

Geanne Faye Ott, 15, of 2210 Morose st., Lemon Grove, was taken to Grossmont Hospital, after she walked into a car, driven by Patricia Lynn Dennis, 16, of 636 Carlsbad st., San Diego. According to the California Highway Patrol, Miss Dennis was going east on Blossom ln., Spring Valley and was approaching Tarleton st., when the Ott girl walked into the car. The accident happened about 3 p.m. on Sept. 20.

Patricia Payne, 12-years old, of 9146 Orville st., was mowing the lawn of her home with a power-mower on Sept. 24. The mower struck a rock, which in turn struck Patricia. She was taken to Paradise Valley Hospital.

Billy Joe Winchester, 16, of 1331 Helix st., was taken to Paradise Valley Hospital on Sept. 23, after he fell at his home.

Three-year old Sandra Leonard, of 9683 St. George st., was brought in to Fire Station No. 3 on Sept. 25, and due to illness, was taken to Paradise Valley Hospital.

Other Ambulance Runs

Sept. 19. Florence Barnes, 35, of 8611 Valencia dr., taken to National City Medical Center, due to illness; and Marilyn Cox, 45, of 2260 Central, taken to Grossmont Hospital, due to illness.

Sept. 21. Mrs. Louis Roab, 44, of 3607 So. Cordoba, taken to Grossmont Hospital, due to illness.

Sept. 23. Mrs. L. H. McCauley, 80, of 4026 Helix st., taken to Grossmont Hospital, due to a fall.

Temperatures

The highest temperature for the past week in Spring Valley, was 83 degrees on Sept. 20. The lowest was 59 degrees, early a.m. on Sept. 23.

Sen. Burgener At Grove Men's Club Luncheon

(Continued from Page 1)

ther," explained the Senator.

Other comments Senator Burgener made of legislative issues included:

"I think the medi-cal program was moved into too fast. We need a re-alignment and change of direction in the philosophy and pratcice of the program. We just didn't plan carefully enough. We knew we needed this type of program, but we didn't investigate the possible alternatives deeply enough.

The Watts situation is better, but we still have a long way to go. Welfare money has been no help in that area because the people resented it. The citizens need to earn their own money and the private sector of the economy is the only way the people can achieve this goal.

Citizens of Watts have a built-in feeling of failure. Hand-out money has been like foreign aid to them. It just buys enemies.

The welfare program also needs to be re-aligned. We are going about it the wrong way. When a welfare recipient gets a job we cut off the welfare check. It ends up he was getting more from welfare then he is while working, so he quits and goes back on the rolls. We should give more money to those who work as an added incentive."

Grove Pair To Attend Mens College

SAN DIEGO — Thomas O'Neill, 18, son of Mr. and Mrs. Francis J. O'Neill, of 1735 Dayton dr., Lemon Grove and Thomas Dietsch, 18, son of Mr. and Mrs. Paul Dietsch, 7809 Longdale, Lemon Grove, have enrolled as freshmen at the University of San Diego, College for Men. O'Neill, a History major at the four-year liberal arts institution, joined 300 other freshmen at the Alcala Park campus.

The College for Men is part of the University of San Diego which includes the College for Women, the School of Law, and the School of Theology with a total enrollment of 1,700 students. Most Reverend Francis J. Furey, Bishop of San Diego, is Chancellor of the University. The College for Men has initiated a program of reciprocal courses with the College for Women. Courses in art, music, drama, sociology, education, oceanography, archaeology, business administration, economics, and psychology will be co-educational. An Educational Development Center with facilities for reading improvement, review or intensive study of a particular subject area, career counseling, and guidance in proper study methods is a further addition at the College. The center will be operated under the direction of Dr. Gerald Sperrazzo, chairman of the Psychology Department.

Enrolled at the University are foreign students from the Philippines, Libya, Mexico Liberia, Thailand, Jamaica and Hong Kong. Degrees conferred by the College include the Bachelor of Arts, Bachelor of Science, and Master of Arts in Teaching. Pre-professional programs in medicine, dentistry, and law are among the school's academic offerings.

Lions Sight Program Readied For Fri.-Sat.

Lemon Grove Lions Club White Cane Days in Lemon Grove will be conducted Friday and Saturday, according to Dr. R. C. Conlin, president.

Lions, an international service club, spends two days a year soliciting funds for their sight conservation program. Any and all donations are gratefully accepted and used solely to aid people of all ages where sight is concerned. Dr. Conlin said residents of Hilltop Chateau, in Lemon Grove, assisted in putting together the thousands of White Canes that are given to those who donate to the cause. A $500 piece of equipment installed at the Sight Center in San Diego, was fully paid for by residents of Lemon Grove. More than $3 million dollars a year collected by Lions International is used in the Lions Sight Conservation world wide program.
